Catering FAQ's

Guarantee Policy:

Brothers BBQ Catering requires that all menu selections and final guest count be submitted at least 24 hours prior to your event in order to guarantee our services.

Liquor Policy:

All guests consuming alcohol must be 21 years or older. Our bartenders are required by law to ID all customers requesting/purchasing alcohol. We reserve the right to refuse alcohol to any individual or individuals that we feel place our liquor license in jeopardy. Prices are subject to change.

Cancellation Policy:

If a scheduled catering is cancelled within 48 hours, a 20% fee of the invoice cost will be charged to the card on file. If the catering order is cancelled within 24 hours or less, a 50% fee will be charged to the card on file.

18% Service Fee/Gratuity:

We apply an 18% Service Fee to all catering orders. This charge includes gratuity that is shared by all caterers and order preparation staff as well as costs of delivering our restaurant experience to you. Thank you!

Delivery Fee:

Catering outside of the Denver area may be subject to a delivery fee.

Outside Vendors:

The cost of all outside vendors will be the responsibility of the client. It is our pleasure to make all orders and delivery requests with the vendors. We will not be responsible for vendor's products resulting in dissatisfaction.

Reservations:

A credit card is required at the time an order is placed. This is solely to reserve the date and will not be used unless authorized by the card holder. The credit card will be charged if there is no other payment granted, there are outstanding financial obligations, or if there is a cancellation of our services within 48 hours.
